

BRISAS

VOLUME I

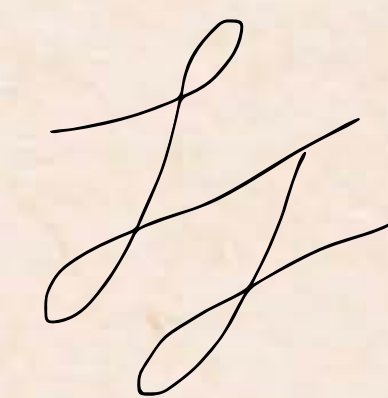

OUR STORY

Welcome to Brisas.

At its core are the first three padel courts in East Hampton
and two friends with an idea.

Just as padel originated as a creative spin on tennis, or unconventional tennis -
Brisas is our take on an unconventional sports club and the associated lifestyle.

We hope you join us, as we aim for Brisas to be a sanctuary
where exclusivity meets authenticity, and where members and
guests can truly be themselves in an environment that celebrates
sport, community and wellness.

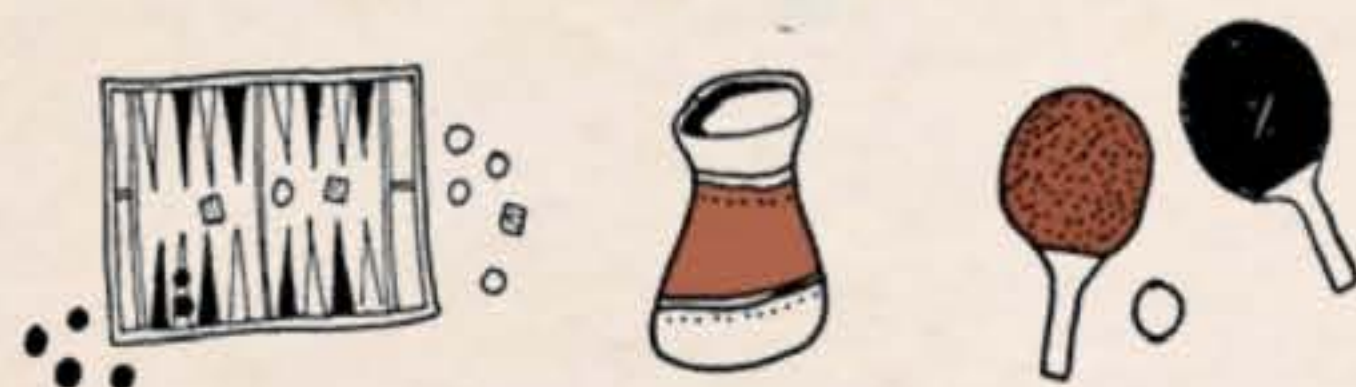

OUR SPACE AND CONCEPT

COMMUNITY

Enjoy a game of backgammon and table-tennis, or engage your creative side and get your hands messy with our pottery classes.

PADEL

Socialize over a game of padel in our three beautiful courts - either with friends, or with soon-to-be friends.

WELLNESS

Tend to your body and mind at Brisas. Keep a balanced spirit by attending our yoga, flow and meditation classes. Recover in our wellness area through our sauna or cold plunge.

SHANI "YOGI & POTTER"

Shani, founder of ROM Studio, is a certified yoga and pilates instructor and avid potter. She takes a unique hands-on approach which allows her clients to express their most authentic selves through physical fitness and intimate interaction. She calls Costa Rica home, where she has been creating tableware and inspiring people through yoga and wellness. She will be with us this summer teaching all-things wellness for the body and mind.

THANK YOU!

To the amazing people who have brought Brisas to life, we want to thank you from the bottom of our hearts. We've been told the journey is always more special than the destination, and while we do not know where this journey will lead, the memories and moments shared with each one of you made this journey worth every second. Thank you for sharing with us the beauty that lies in every corner of the world & for showing us that every skill is a work of art. We appreciate each & everyone of you.
